Plaintiff's 15-day Rebuttal Period Ends	September 30, 2013	January 28, 2014

The parties respectfully request that the Board approve their joint stipulation, which is not made for purposes of undue delay. The requested extensions will allow the parties to focus on settlement discussions without incurring potentially needless litigation costs, and there is a reasonable possibility that the requested extensions will make further proceedings unnecessary, such that judicial economy will be promoted by approval of the stipulation.

Respectfully submitted,
