**FIRST AMENDED COMPLAINT
 FOR PATENT INFRINGEMENT**

JURY TRIAL DEMANDED

1 Plaintiff Ravgen, Inc. (“Ravgen”), for its First Amended Complaint against
2 Defendants Quest Diagnostics Incorporated (“Quest”) and Quest Diagnostics Nichols
3 Institute (“Quest Nichols”) (collectively, “Defendants”), hereby alleges as follows:

4 **NATURE OF THE ACTION**

5 1. This is a civil action for infringement of United States Patent Nos.
6 7,727,720 (the “’720 Patent”) and 7,332,277 (the “’277 Patent”) (collectively the
7 “Patents-in-Suit”), arising under the Patent Laws of the United States, 35 U.S.C.
8 §§ 271 *et seq.*

9 **THE PARTIES**

10 2. Plaintiff Ravgen is a Delaware corporation with its principal place of
11 business at 9241 Rumsey Rd., Columbia, MD 21045. Ravgen is a pioneering
12 diagnostics company that focuses on non-invasive prenatal testing. Ravgen has spent
13 millions of dollars researching and developing novel methods for the detection of cell-
14 free DNA to replace conventional, invasive procedures. Ravgen’s innovative cell-free
15 DNA technology has various applications, including non-invasive prenatal and other
16 genetic testing. Those efforts have resulted in the issuance of several patents,
17 including the Patents-in-Suit.

18 3. Defendant Quest is a Delaware corporation with its principal place of
19 business at 500 Plaza Drive, Secaucus, NJ 07094. (ECF No. 152 at ¶ 3 (Quest
20 Answer); Ex. 48.) Quest is registered to do business in the state of California. (Ex.
21 41.) Quest has appointed Corporation Service Company (d/b/a CSC – Lawyers
22 Incorporating Service Company), located at 2710 Gateway Oaks Drive, Suite 150N,
23 Sacramento, CA 95833, as its agent for service of process. (Ex. 48; Ex. 42.) Quest
24 maintains several places of business in this District, including patient collection
25 centers that offer diagnostic tests (e.g., the QNatal Advanced test), such as at 1300
26 Avenida Vista Hermosa, Suite 160, San Clemente, CA 92673; and other offices, such
27

as at 675 Camino De Los Mares, Suite 300, San Clemente, CA 92673. (*See, e.g.*, Ex. 43 (<https://appointment.questdiagnostics.com/find-location/as-location-finder>); Exs. 50-51 (Dun & Bradstreet reports identifying the businesses at the addresses as Quest Diagnostics).)

4. Defendant Quest Nichols is a Delaware corporation with its principal place of business at 33608 Ortega Highway, San Juan Capistrano, CA 92675. (ECF No. 152 at ¶ 48 (Quest Answer); Ex. 49.) Quest Nichols is registered to do business in the state of California. (Ex. 44). Quest has appointed Corporation Service Company (d/b/a CSC – Lawyers Incorporating Service Company), located at 2710 gateway Oaks Drive, Suite 150N, Sacramento, CA 95833, as its agent for service of process. (Ex. 49; Ex. 42.)

5. Quest and Quest Nichols each have employees at the San Juan Capistrano location above. (*See, e.g.*, ECF No. 21 at 13 (Quest Motion to Transfer).)

6. Defendants commercialize genetic tests using cell-free DNA, including a non-invasive prenatal diagnostic test for the determination of fetal chromosomal abnormalities marketed under the trade name “QNatal Advanced.” Defendants offer and market this test throughout the United States, at least through the website www.questdiagnostics.com. (*See generally* Ex. 12 (<https://www.questdiagnostics.com/home/patients/health-test-info/womens-health/prenatal/during-pregnancy/noninvasive/>).)

1 9. Venue is proper in this District pursuant to U.S.C. §§ 1391(b), (c), (d),
2 and 1400(b) because Defendants have a permanent and continuous presence in, have

4 businesses in, this District.

5 10. By registering to conduct business in California and by having facilities
6 where it regularly conducts business in this District, Defendants have a permanent and
7 continuous presence and regular and established places of business in the Central
8 District of California.

9 11. Quest maintains regular and established places of business in this
