12	Plaintiff, the United States of America ("United States"), alleges as follows:			
13	I. INTRODUCTION			
14	1. The United States brings this action against City National Bank ("City

16	and the Equal Credit Opportunity Act ("ECOA"), 15 U.S.C. §§ 1691-16911f.

Black and Hispanic neighborhoods in the Los Angeles Metropolitan Division ("Los Angeles MD" or "Los Angeles County").<sup>1</sup>

5. City National maintained only three of its 37 branches in majority-Black and Hispanic neighborhoods during the Relevant Time Period, despite the fact that well over 50 percent of census tracts in Los Angeles County are majority-Black and Hispanic. The Bank relied on unmonitored "relationship managers" to generate applications largely from its existing customers, who are disproportionately white, instead of marketing or advertising its loan products and services in majority-Black and Hispanic areas. City National also failed to train or incentivize its lending staff to compensate for its lack of branches, and failed to provide adequate staff resources to serve the mortgage lending needs of residents in majority-Black and Hispanic neighborhoods.

6. Further, during the Relevant Time Period, the Bank's internal fair-lending oversight, policies, and procedures were inadequate to ensure that the Bank provided equal access to credit to residents of majority-Black and Hispanic neighborhoods. Moreover, City National failed to act on internal reports indicating fair lending and redlining risk. Despite its capacity to hold affordable loan products in its portfolio, City National did not develop or offer any affordable loan products.

7. As a result of the above-described conduct and practices, the Bank generated disproportionately low numbers of loan applications and home loans during the Relevant Time Period from majority-Black and Hispanic neighborhoods in the Los Angeles MD compared to similarly-situated lenders.

8. City National Bank's conduct and practices were intended to deny, and had the effect of denying, residents of majority-Black and Hispanic neighborhoods equal

<sup>25</sup> <sup>1</sup> The complaint uses "majority-Black and Hispanic census tract," "majority-Black and Hispanic area," and "majority-Black and Hispanic neighborhood" interchangeably to mean a census tract where more than 50 percent of the residents are identified as either "Black or African American" or "Hispanic or Latino" by the United States Census Bureau.

access to home loans and otherwise discouraged these residents from applying for home loans. The Bank's conduct was not justified by a business necessity and was not necessary to achieve a substantial, legitimate, non-discriminatory interest.

#### II. JURISDICTION AND VENUE

9. This Court has subject-matter jurisdiction over this action under 28 U.S.C. § 1331, 28 U.S.C. § 1345, 42 U.S.C. § 3614(a), and 15 U.S.C.§ 1691e(h) because the action arises under the laws of the United States, and the United States brings this case as a plaintiff.

10. Venue is proper in this Court under 28 U.S.C. § 1391 and in this division because a substantial part of the events or omissions giving rise to the claims occurred in this District and division.

#### III. PARTIES

11. Plaintiff United States brings this action to enforce the provisions of the FHA and ECOA. The FHA and ECOA authorize the Attorney General to bring a civil action in federal district court whenever he has reason to believe that an entity is engaged in a pattern or practice of resistance to the full enjoyment of rights secured by the FHA and ECOA. 42 U.S.C. § 3614(a); 15 U.S.C. § 1691e(h). The FHA further authorizes the Attorney General to bring suit where the defendant has denied rights to a group of persons and that denial raises an issue of general public importance. 42 U.S.C. § 3614(a).

Defendant City National Bank is a national bank headquartered in Los 12. Angeles, California that offers commercial, consumer, mortgage, and wealth management banking services. As of April 30, 2022, the Bank had total assets of \$90.9 billion and operated 79 branches in California, Delaware, Florida, Georgia, Massachusetts, Minnesota, Nevada, New York, Tennessee, Virginia, and the District of Columbia. Los Angeles County is, by far, City National's largest market where it maintains 80 percent of its deposits and presently operates 33 of its branches. City National is the largest bank headquartered in the Los Angeles MD. City National is a wholly-owned subsidiary of RBC USA Holdco Corp. ("RBC").

13. City National is subject to the regulatory authority of the Office of the Comptroller of the Currency ("OCC"). Because its assets exceed \$10 billion, City National is also regulated by the Consumer Financial Protection Bureau.

14. City National is subject to the FHA, ECOA, and their respective implementing regulations, 24 C.F.R. pt. 100 and 12 C.F.R. pt. 1002.

15. City National is a "creditor" within the meaning of ECOA, 15 U.S.C.
§ 1691a(e), and is engaged in "residential real estate-related transactions" under the FHA,
42 U.S.C. § 3605.

#### **IV. FACTUAL ALLEGATIONS**

#### The Los Angeles MD and City National's Assessment Area

16. During the Relevant Time Period, the Los Angeles MD encompassed all of Los Angeles County, which is the most populous county in the United States.

17. The Los Angeles MD has over 10 million residents. According to 2015 data from the United States Census Bureau, the region's residents are 27 percent non-Hispanic white ("white"), 48 percent Hispanic or Latino, eight percent Black, and 14 percent Asian. The Los Angeles MD has 2,346 census tracts of which 1,294, or approximately 55 percent, are majority-Black and Hispanic.

18. As a depository bank, City National is subject to the requirements of the Community Reinvestment Act ("CRA"), 12 U.S.C. §§ 2901-2908, and its enabling regulations, which require most banks to meet the credit needs of the communities that they serve. Each bank subject to the CRA self-identifies the communities that it serves in the bank's "assessment areas." Federal regulators look at a bank's assessment area in evaluating whether an institution is meeting the credit needs of its entire community. As of 2016, the Los Angeles MD was City National's largest assessment area.
