3 front of other employees. Plaintiff was assigned a large office, but Drake took it away
4 from her and sent her to a smaller office. Drake went out of her way to degrade
5 plaintiff. Drake was constantly condescending and abusive to plaintiff. When plaintiff
6 complained to Drake about the racist comments, Drake failed to take immediate and
7 corrective action. Instead she ratified and condoned the discrimination and hostile
8 work environment. She told plaintiff to stop complaining and "you need to suck it up
9 and be a big girl". Plaintiff began to suffer stress and stress related symptoms and
10 was placed off work. Plaintiff complained to Human resources. Human resources
11 refused to take any action either. Instead plaintiff was fired in retaliation for
12 complaining and taking medical leave.

- 13 5. Drake would make fun of plaintiff's dyslexia, she told her she needed to read more
14 books, when plaintiff was locked out of her computer one day and asked Drake for
15 help Drake started yelling at her, she called her dyslexic and a fool.
- 16 6. Other people who witnessed Drake's behavior towards plaintiff commented about how
17 abusive she was towards plaintiff. They told her to go to Human Resources to report
18 the abuse.
- 19 7. The hostile work environment and abuse continued for approximately 3 months. It was
20 so severe it caused plaintiff to suffer emotional distress to the point it was causing her
21 physical symptoms. She went to see a doctor who took her off work, she provided her
22 doctors note.
- 23 8. When she was out on leave due to the stress from Drake, an employee called her and
24 told her that they heard she had been fired. Plaintiff called the ENCOMPASS
25 DEFENDANT's corporate offices. They told her to go home and they would look into
26 it. Plaintiff received severance letter on or about December 16,2019.
- 27 9. After plaintiff was terminated, Drake and others at Encompass defamed plaintiff. They
28 talked to Vendors and told them that they fired plaintiff because of poor performance.
