**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA**

RAYMOND HARENAPE,

Plaintiff,

v.

SYNGENTA AG; SYNGENTA CROP
PROTECTION, LLC; CHEVRON U.S.A. INC.;
and DOES 1 through 60 inclusive,

Defendants.

Civil Action No.: 3:21-cv-02585

COMPLAINT FOR DAMAGES

DEMAND FOR JURY TRIAL

Plaintiff RAYMOND HARENAPE (hereinafter referred to as “Plaintiff”), by and through counsel Aimee H. Wagstaff of ANDRUS WAGSTAFF, PC, alleges upon information and belief and complains of Defendants Syngenta AG (“SAG”) and Syngenta Crop Protection, LLC (“SCPLLC”) (together with their predecessors-in-interest, referred to collectively as the “Syngenta Defendants”); Chevron U.S.A. Inc. (together with its predecessors-in-interest, referred to collectively as the “Chevron Defendants”); and Does One through Sixty, and states:

1 **STATEMENT OF THE CASE**

2 1. Plaintiff RAYMOND HARENAPE suffers from Parkinson’s disease caused by
3 his exposure to the herbicide Paraquat.

4 2. Plaintiff RAYMOND HARENAPE is a Kansas resident.

5 3. Defendants are companies that since 1964 have manufactured, distributed, licensed,
6 marketed, and sold Paraquat for use in the United States, including California.

7 4. Plaintiff brings this action to recover damages for personal injuries resulting from
8 exposure to Paraquat manufactured, distributed, and sold by Defendants.

9 5. Defendants’ tortious conduct, including their negligent acts and omissions in the
10 research, testing, design, manufacture, marketing, and sale of Paraquat, caused Plaintiff’s injuries.
11 At all relevant times, Defendants knew, or in the exercise of reasonable care should have known,
12 that Paraquat was a highly toxic substance that can cause severe neurological injuries and
13 impairment, and should have taken steps in their research, manufacture, and sale of Paraquat to
14 ensure that people would not be harmed by foreseeable uses of Paraquat.

15 **JURISDICTION**

16 6. This Court has jurisdiction over Defendants and this action pursuant to 28 U.S.C. §
17 1332 because there is complete diversity of citizenship between Plaintiff and each Defendant.
18 Indeed, Plaintiff is a resident of Kansas; SPLLC is a Delaware limited liability company with its
19 principal place of business in Greensboro, North Carolina (SPLLC is a wholly-owned subsidiary
20 of Defendant SAG); SAG is a foreign corporation with its principal place of business in Basel,
21 Switzerland; and Chevron U.S.A., Inc. is a Pennsylvania corporation with its principal place of
22 business in San Ramon in Contra Costa County, California. Defendants are all either incorporated
23 and/or have their principal place of business outside of the state in which the Plaintiff resides.

24 7. The amount in controversy between Plaintiff and Defendants exceeds \$75,000,
25 exclusive of interest and cost.

26 **VENUE**

27 8. Venue is proper within the Northern District of California pursuant to 28 U.S.C. §
28 1391 in that Defendants conduct business here and are subject to personal jurisdiction in this

1 district. Furthermore, Defendants sell, market, and/or distribute Paraquat within the Northern
2 District of California. Also, a substantial part of the acts and/or omissions giving rise to these
3 claims occurred within this District. Chevron U.S.A., Inc. is a corporation organized under the
4 laws of the State of Pennsylvania, with its headquarters and principal place of business in San
5 Ramon in Contra Costa County, California.

6 9. This Court has personal jurisdiction over each of the Defendants in this diversity
7 case because a state court of California would have such jurisdiction, in that:

8 a. Over a period of two (Chevron) to six (Syngenta) decades, each Defendant
9 and/or its predecessor(s), together with those with whom they were acting in concert,
10 manufactured Paraquat for use as an active ingredient in Paraquat products, distributed
11 Paraquat to formulators of Paraquat products, formulated Paraquat products, marketed
12 Paraquat products to the California agricultural community, and/or distributed Paraquat
13 products, intending that such products regularly would be, and knowing they regularly
14 were, sold and used in the State of California;

15 b. Plaintiff's claims against each Defendant arise out of these contacts between the
16 Defendant and/or its predecessor(s), together with those with whom they were acting in
17 concert, with the State of California; and

18 c. These contacts between each Defendant and/or its predecessors, together with
19 those with whom they were acting in concert, and the State of California, were so regular,
20 frequent, and sustained as to provide fair warning that it might be hauled into court there,
21 such that requiring it to defend this action in the State of California does not offend
22 traditional notions of fair play and substantial justice.

23 **INTRADISTRICT ASSIGNMENT**

24 10. This action arises from the actions of Defendants – and, in particular, the actions of
25 Defendant Chevron U.S.A., Inc. Defendant Chevron U.S.A., Inc. is a Pennsylvania corporation
26 with its principal place of business in San Ramon in Contra Costa County, California. Pursuant to
27 Local Rule 3-2(c), this claim may be assigned to either the San Francisco Division or the Oakland
28 Division.

17. Pursuant to distribution and licensing agreements with ICI and ICI Americas, Chevron Chemical Company had exclusive rights to distribute and sell Paraquat in the United States and did in fact manufacture, formulate, distribute, and sell Paraquat in the United States, including in California for use in California, from approximately 1964 until approximately 1986.

18. Chevron U.S.A. Inc. is the successor-in-interest to Chevron Chemical Company.

19. At all relevant times, Chevron Chemical Company acted as the agent of Chevron U.S.A. Inc. in selling and distributing Paraquat in the U.S. At all relevant times, Chevron

5 predecessors-in-interest, ICI and ICI Americas, and Does One through Sixty manufactured some
6 or all of the Paraquat that Chevron Chemical Company distributed and sold in the United States,
7 including in California for use in California.

8 21. From approximately 1964 through approximately 1986, pursuant to distribution
9 and licensing agreements between and among them, ICI, ICI Americas, Chevron Chemical
10 Company, and Does One through Sixty acted in concert to register, manufacture, formulate, and
11 distribute and sell (through Chevron Chemical Company) Paraquat for use in the U.S., including
12 in California for use in California, and their respective successors-in-interest, SAG, SCPLLC, and
13 Chevron U.S.A. Inc., are jointly liable for the resulting injuries alleged herein.

14 22. After 1986, SCPLLC, Does One through Sixty, and/or their predecessors-in-
15 interest sold and distributed and continue to sell and distribute Paraquat in the United States,
16 including in California for use in California.

17 23. As a result of mergers and corporate restructuring, SAG is the successor-in-interest
18 to ICI.

19 24. As a result of mergers and corporate restructuring, SCPLLC is the successor-in-
20 interest to ICI Americas, Inc.

21 25. Thus, from approximately 1964 through the present, the Syngenta Defendants,
22 Does One through Sixty, or their predecessors-in-interest have manufactured, formulated,
23 distributed, and sold Paraquat for use in the U.S., including in California for use in California.
