

**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF DELAWARE**

VLSI TECHNOLOGY LLC,

Plaintiff,

v.

INTEL CORPORATION,

Defendant.

Civil Action No. 18-966-CFC-CJB

**VLSI'S SECOND NOTICE OF SUBSEQUENT DEVELOPMENTS IN  
CONNECTION WITH  
INTEL'S LICENSE DEFENSE**

Plaintiff VLSI Technology LLC respectfully submits this second notice of subsequent developments relating to the cross-motions for summary judgment on Intel's license defense. D.I. 804 ("VLSI's License Motion"); D.I. 799 ("Intel's Cross-Motion").

On April 21, 2022, the Texas Court entered Final Judgment in favor of VLSI and against Intel in Case No. 6:21-CV-057-ADA (W.D. Tex.). A copy of the Final Judgment is attached as Exhibit 1. As explained in VLSI's License Motion, now that Final Judgment has been entered in Texas, Intel's license defense is plainly barred by *res judicata*. This is especially true here because prior to entering Final Judgment, the Texas Court specifically found that Intel's license defense lacks merit. *See* D.I. 955.

Dated: April 21, 2022

Respectfully submitted,

FARNAN LLP

/s/ Brian E. Farnan
