NOTICE OF FILING

Please note there has been a substantive motion filed in *United States v. Tony McClam* (2019 CF1 009634) challenging the Superior Court jury selection system under the fair cross section requirement of the Sixth Amendment, the Equal Protection Clause of the Fourteenth Amendment, and the D.C. Jury Act. Per Order of the Chief Judge, this issue has been consolidated before Judge Epstein. Mr. Rush joins that motion and accordingly moves to dismiss the indictment against him and stay the proceedings until the defects in the jury selection system have been resolved.
