Docket No. CP18-46-000

NOTICE GRANTING LATE INTERVENTION

(June 26, 2018)

On January 23, 2018, the Commission issued public notice of Adelphia Gateway, LLC's (Adelphia) application requesting approval to acquire and convert certain existing pipeline and auxiliary facilities, construct additional auxiliary facilities, and own and operate the existing and new facilities as an interstate natural gas pipeline system for its proposed Adelphia Gateway Pipeline Project located in Pennsylvania and Delaware. The notice established February 13, 2018 as the deadline to file motions to intervene.

On June 1, 2018, Elise Kucirka Salahub filed a late motion to intervene. Because the deadline for filing a timely intervention passed before the Commission announced its new policy governing late interventions in *Tennessee Gas Pipeline Company, L.L.C.*,¹ the late motion to intervene is granted.²
