JOINT STIPULATION OF ENRON POWER MARKETING, INC. AND ENRON ENERGY SERVICES INC. AND PUBLIC UTILITY DISTRICT NO. 1 OF SNOHOMISH COUNTY, WASHINGTON REGARDING THE DEPOSITION OF JOHN P. WHITE

April 2, 2004

**To: Presiding Administrative Law Judge
Isaac D. Benkin**

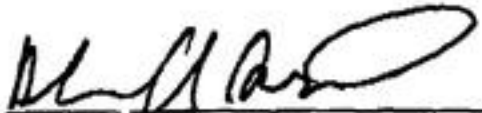

On March 23, 2004, Enron Power Marketing, Inc., and Enron Energy Services Inc. (collectively, "Enron") noticed the deposition of Mr. John P. White, a witness appearing on behalf of Public Utility District No. 1 of Snohomish County, Washington ("Snohomish"). Mr. White is the Assistant General Manager for Engineering Services at Snohomish and his office is located in Everett, Washington.

In the Notice, Enron proposed that Mr. White's deposition be held on April 13, 2004 at the office of Enron's counsel located in San Francisco, California. Counsel for Snohomish has apprised counsel for Enron that Mr. White is not available for a deposition in San Francisco on April 13, 2004. Snohomish offered to instead make Mr. White available for a deposition in Everett, Washington on April 27, 2004. Enron is willing to take Mr. White's deposition at this

location and on this date. However, pursuant to the procedural schedule in effect in this case, discovery by Respondents of Commission Trial Staff and Intervenors is generally scheduled to end on April 23, 2004.¹ Therefore, Enron and Snohomish hereby agree and jointly stipulate as follows:

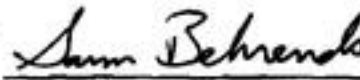

1. To accommodate Mr. White's scheduling commitments, Enron and Snohomish agree that Mr. White's deposition will be conducted after the generally scheduled period for discovery on Intervenors ends. Specifically, Mr. White's deposition shall be taken at his office in Everett, Washington on April 27, 2004.
2. Enron and Snohomish further agree to allow a period of five business days after April 27, 2004 for Mr. White to provide supplemental answers to questions related to Mr. White's Direct Testimony that were asked in the deposition, to the extent necessary.

Respectfully submitted,
