**Re: Neenah Paper, North East Wisconsin Hydro, LLC
Middle Appleton Dam and Hydroelectric Project, FERC No. P-7264
2022 DSSMR**

Dear Mr. Griebenow:

Neenah Paper (Co-licensee), on behalf of North East Wisconsin Hydro, LLC (Co-licensee) is submitting the Licensees DSSMR for its Appleton Middle Dam Project. The plan and accompanying report have been prepared in accordance with the Commissions dam safety guidelines.

No changes to DSSMP were made after a thorough review. The DSSMR contains a complete reprint of the document portions with the most current information regarding the project. The headwater level data is submitted as a separate file in Excel Form.

An internal inspection of the project was performed in 2021 and 2022. The results of the inspections are included in Appendix A of the DSSMR.

The next DSSMR will be filed by June 1, 2024.

If you have any questions, please feel free to contact Mr. Jason Kreuzer at 855-994-9376 Ext. 102 or jason@rwehydro.com

Sincerely,
Neenah Paper FR, LLC
