#### IN THE UNITED STATES DISTRICT COURT FOR THE MIDDLE DISTRICT OF FLORIDA

GRAHAM HOOPER, individually and on behalf of all others similarly situated,

#### **CLASS ACTION**

Plaintiff,

vs.

#### JURY TRIAL DEMANDED

DIGITAL MEDIA SOLUTIONS, LLC., a Delaware limited liability company,

Defendant.

#### **CLASS ACTION COMPLAINT**

1. Plaintiff, Graham Hooper ("Plaintiff"), brings this action against Defendant, Digital Media Solutions, LLC. ("Defendant"), to secure redress for violations of the Telephone Consumer Protection Act ("TCPA"), 47 U.S.C. § 227.

#### NATURE OF THE ACTION

This is a putative class action pursuant to the Telephone Consumer Protection Act, 47
U.S.C. § 227 et seq., (the "TCPA").

3. Defendant is a leading global marketing-tech company. Defendant connected consumers and advertisers with digital marketing campaigns. To promote its services, Defendant engages in unsolicited marketing, harming thousands of consumers in the process.

4. Through this action, Plaintiff seeks injunctive relief to halt Defendant's illegal conduct, which has resulted in the invasion of privacy, harassment, aggravation, and disruption of the daily life of thousands of individuals. Plaintiff also seeks statutory damages on behalf of himself and members of the class, and any other available legal or equitable remedies.

#### JURISDICTION AND VENUE

5. Jurisdiction is proper under 28 U.S.C. § 1331 as Plaintiff alleges violations of a federal statute. Jurisdiction is also proper under 28 U.S.C. § 1332(d)(2) because Plaintiff alleges a national class, which will result in at least one class member belonging to a different state than that of Defendant. Plaintiff seeks up to \$1,500.00 (one-thousand-five-hundred dollars) in damages for each call, in violation of the TCPA, which, when aggregated among a proposed class numbering in the tens of thousands, or more, exceeds the \$5,000,000.00 (five-million dollars) threshold for federal court jurisdiction under the Class Action Fairness Act ("CAFA"). Therefore, both the elements of diversity jurisdiction and CAFA jurisdiction are present.

6. Venue is proper in the United States District Court for the Middle District of Florida pursuant to 28 U.S.C. § 1391(b) and (c) because Defendant resides within this judicial district, Defendant is deemed to reside in any judicial district in which it is subject to the court's personal jurisdiction, and because Defendant provides and markets its services within this district thereby establishing sufficient contacts to subject it to personal jurisdiction. Further, Defendant's tortious conduct against Plaintiff occurred within the State of Florida and, on information and belief, Defendant has sent the same text messages complained of by Plaintiff to other individuals within this judicial district, such that some of Defendant's acts in making such calls have occurred within this district, subjecting Defendant to jurisdiction in the State of Florida.
