To: "Carlson, Tucker" <Tucker.Carlson@FOXNEWS.COM>

Tucker:

Please let me know when you would like to do something with the aSorney. CNN wants the first "broadcast exclusive" and I am waiting until I hear back from you before I respond.

For some reason the ASorney is a big fan of yours ;-) and would like to go on with you. He saw your interview with Ben Smith and thought it was fabulous. He is based in Boston and could go to your local studio there.

Below you will find media coverage related to Mr. Gubarev's defamation suits against BuzzFeed News/Ben Smith and Christopher Steele. The story was first broken by *CNNMoney*. I have also included several reprints at the bottom of the clips summary.

If you want to move forward these articles will be useful for your producers. The NYT and WP are also looking at writing stories.

Best,

Chuck

Subject: Re: New Development on the MI6 Dossier on Trump

Tucker:

Let me know when Fox would like to do something and I will organize it with the attorney. I'm happy to provide background information on Gubarev and his company to you or a producer so you have adequate background.

Best,

Chuck

Chuck!

I'm sorry for the late reply to this. Just got off the air. Yes, definitely. This is great. Let me know next steps. Thanks a lot.

Tucker

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
