FACTUAL BACKGROUND

Krispy Krunchy's Business and Longstanding Use of the Distinctive KRISPY KRUNCHY Marks

9. Krispy Krunchy operates one of the fastest-growing, convenience-store-based, quick-service fried chicken concepts in the nation.

10. Krispy Krunchy was founded in Louisiana in 1989. Krispy Krunchy's principals boast a combined seventy-plus years of experience in the convenience store / food service industry.

11. Krispy Krunchy provides food products to convenience stores ("C-Stores"), quick-service restaurants ("QSRs"), and grocery stores, among other types of retail channels. Krispy Krunchy's C-Stores, QSRs, and supermarkets are referred to as "Operators."

12. The heart of Krispy Krunchy is the proprietary chicken it provides for its Operators under the brand "KRISPY KRUNCHY." Krispy Krunchy also provides a full line of related food products, including, fish, shrimp, mashed potatoes, french fries, beans, biscuits, biscuit sandwiches, breakfast sandwiches,

burritos, empanadas, gravy, dipping sauces, macaroni and cheese, rice and jambalaya.

13. In 1993, Krispy Krunchy adopted a Barn and Sun logo and has used variations of this logo (as shown below) since that time:

14. Krispy Krunchy has been using the mark KRISPY KRUNCHY, both alone and in conjunction with the Barn and Sun logo, in connection with its goods and services continuously since at least as early as 1993.

15. Krispy Krunchy offers a program through which it allows Operators to market and sell Krispy Krunchy food products (the “Krispy Krunchy Program”).

16. Under the Krispy Krunchy Program, Operators agree to (among other things):

- Buy and use Krispy Krunchy proprietary products;
- Maintain the Krispy Krunchy Program as specified during on-site training;
- Buy all related food service products from Krispy Krunchy’s designated supplier; and

- Accept new products introduced by Krispy Krunchy from time to time.

17. Under the Program, Krispy Krunchy (among other things) agrees to:

- Provide its Operators approximately one week's training at the Operator's location at Krispy Krunchy's expense;
- Schedule retraining at the Operator's request and according to trainer availability;
- Provide assistance with operational problems, such as gross profit, volume, labor, etc.; and
- Grant geographic protection from other Operators wanting to participate in the Krispy Krunchy Program in a nearby location.

18. Krispy Krunchy has distinguished itself from its competitors by offering the only chicken program of its kind with proprietary chicken recipes and preparation. Indeed, Krispy Krunchy holds out its KRISPY KRUNCHY chicken and other branded products to the industry and its customers as "proprietary."

19. In particular, Krispy Krunchy's chicken is marinated before it is delivered to Krispy Krunchy's Operators. Krispy Krunchy's proprietary recipes and preparation results in a distinctive Cajun flavor that not only causes its chicken to taste better, but also results in a longer shelf life before cooking.

20. Krispy Krunchy's signature chicken recipe was developed in its founder's own small C-Store chain.
