NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Wednesday, August 31, 2022:

MINUTE entry before the Honorable Maria Valdez: Plaintiffs' Amended Motion to Extend the Fact Discovery Deadline and to Increase the Number of Depositions Permitted Under Fed. R. Civ. P. 30(a)(2) [440] [441] is granted. The Court finds that there is good cause to extend the existing discovery deadline. The Court enters the following modified discovery schedule: the parties shall serve written fact discovery and third-party subpoenas for documents by 10/1/22; the parties are to complete all document productions by 11/15/22; all written and oral fact discovery shall be completed by 12/23/22; and requests for admission must be served in time for the answers to become due on or before the 12/23/22 discovery cutoff. No further extensions will be granted. Additionally, in light of the complex nature of this proceeding and the number of parties, the Court increases the number of depositions permitted to be taken by each party to twenty. See Fed. R. Civ. P. 30(a)(2). The parties' briefing references various ongoing discovery disputes. The parties are strongly encouraged to work through any discovery disputes so as to obviate the need for Court intervention. The parties are to file a joint status report on discovery by 10/4/22. Plaintiffs' motion for leave to file a reply brief in support of their motion to extend [445] is denied as moot. Mailed notice(lp,)
