ORDER NO. 25: AMENDING GROUND RULES FOR CONFIDENTIAL FILINGS

(May 16, 2018)

Ground Rules 1.9 and 1.10 in this investigation are further amended to implement the following procedures for all confidential filings:

Ground Rule 1.9. Confidential Filings; Public Versions.

The confidential nature of any filing with the Office of the Secretary of the Commission or of any submission to the Administrative Law Judge shall be conspicuously noted on the top page of any filing or other submission. No cover letter or other document shall be stapled or otherwise attached to a filing or other submission so as to obscure the confidential marking on the top page.

If a party makes any filing with a confidential designation, a public version of that filing must be made within five (5) business days from the date of the original filing, including public versions of any exhibits attached thereto. For pre-hearing and post-hearing briefs, the parties shall have ten (10) business days to comply with this rule. For any filing made by the Office of Unfair Import Investigations, the Commission Investigative Staff shall have ten (10) business days to comply. A designation of "Public Version" shall be conspicuously noted on the top page, and all confidential labels shall be removed. If an exhibit is not capable of redaction, this must be clearly indicated on the exhibit cover sheet, and the party must attach a declaration justifying why the entire

document must remain confidential. When redacting confidential business information, parties shall limit their redactions to information that meets the definition for confidential business information set forth in Commission Rule 201.6(a).

Ground Rule 1.10. Public Versions of Confidential Orders

The Administrative Law Judge shall issue public versions of confidential orders and initial determinations pursuant to Commission Rule 210.5(f). These public versions shall rely on the public versions of motions and briefs filed by the parties pursuant to Ground Rule 1.9, unless the Administrative Law Judge orders the parties to submit proposed redactions.

If so ordered, any party seeking to have a portion of the order deleted from the public version thereof must submit a copy of the order with red brackets indicating the portion(s) asserted to contain confidential business information. To avoid depriving the public of the basis for understanding the result and reasoning underlying the decision, redactions should be limited. Parties who submit excessive redactions may be required to provide an additional written statement, supported by declarations from individuals with personal knowledge, justifying each proposed redaction and specifically explaining why the information sought to be redacted meets the definition for confidential business information set forth in Commission Rule 201.6(a). The parties' submissions under this rule need not be filed with the Commission Secretary but shall be submitted by paper copy to the Administrative Law Judge and by e-mail to the Administrative Law Judge's attorney-advisor.

These new Ground Rules supersede the original Ground Rules 1.9 and 1.10 set forth in Order No. 2 (Oct. 12, 2017) and the amendments thereto in Order No. 22 (Apr. 18, 2018).

SO ORDERED.
