**SEIZURE AND FORFEITURE ORDER**

The U.S. Bureau of Customs and Border Protection (“Customs”) has informed the Commission that (i) the owner, importer or consignee (or the agent of such person) of certain LED lighting devices and components thereof covered by a general exclusion order attempted to import the articles into the United States; (ii) Customs denied entry of the articles into the United States by reason of the general exclusion order; and (iii) upon such denial of entry, Customs provided the owner, importer, or consignee of the articles (or the agent of such person) with written notice of the aforesaid exclusion order and the fact that seizure and forfeiture would result from any further attempt to import the articles into the United States. The Commission having determined, based on these and other documents provided by Customs, that the issuance of a seizure and forfeiture order concerning the articles would be appropriate pursuant to section 337(i) of the Tariff Act of 1930 (19 U.S.C. § 1337(i)), it is hereby ORDERED:
