**ORDER NO. 48: GRANTING JOINT MOTION FOR EXTENSION OF TIME
TO RESPOND TO AND FOR CLARIFICATION OF ORDER
NO. 46 [MOTION DOCKET NO. 1118-045]**

(January 23, 2024)

On January 18, 2024, Complainant The Chamberlain Group, Inc. (“Chamberlain”) and Respondents GTO Access Systems, LLC f/k/a Gates That Open, LLC, Nortek Security & Control LLC f/k/a Linear, LLC and Nortek, Inc. (collectively, “Respondents” and with Chamberlain “the Parties”) filed a joint motion (“Joint Motion”) for a one-week extension of time to respond to Order No. 46 and for clarification on the procedure for responses called for by Order No. 46. (Motion Docket No. 1118-045; Joint Mot. at 1.).

The Parties submit that, due to limited availability of personnel during the shortened January 16, 2024 holiday week, Respondents require additional time to gather the information requested, including sales and inventory data for currently imported models. (Joint Mot. at 1.). The Parties represent that they have met and conferred and have agreed to a one-week extension of the deadline provided by Order No 46, through Monday, January 29, 2024.

The Joint Motion also requests clarification with respect to the format of the responses, and additional briefing, if any. (Mot. at 2.).

If either party wishes to respond to the other party's position or submission in response to the initial submissions in response to questions posed in Order No. 46, a party may do so in a separate filing within seven (7) days of the initial filing. Even if a question is directed to one party only, the other party may respond to the question posed. However, all information that is contested should be documented. Moreover, if the Parties are able to stipulate to any of the information, they should do so.

Motion Docket No. 1118-045 is *granted*. The deadline for the Parties to file their initial responses required by Order No. 46 is January 29, 2024. Again, each party will have seven (7) days thereafter to respond to the other party's position.

SO ORDERED.
