**ORDER NO. 21: GRANTING SNAPPPOWER'S UNOPPOSED MOTION FOR LEAVE TO FILE ITS MOTION FOR SUMMARY DETERMINATION ON ECONOMIC PRONG, UNOPPOSED MOTION FOR LEAVE TO EXCEED PAGE LIMITS, AND CORRECTED MOTION FOR SUMMARY DETERMINATION ON IMPORTATION AFTER THE FILING DEADLINE [MOTION DOCKET NO. 1124-028]**

(November 30, 2018)

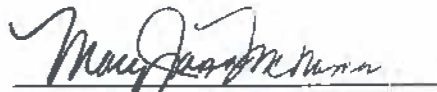

On November 29, 2018, Complainant SnapRays, LLC d/b/a SnapPower ("SnapPower" or "Complainant") moved for leave to file one (1) day past the November 28, 2018 deadline set in the Procedural Schedule the following motions: (i) SnapPower's Motion for Summary Determination that SnapPower Satisfies the Economic Prong of Domestic Industry (Doc. ID 662867) ("Economic Prong MSD"); (ii) SnapPower's Unopposed Motion for Leave to Exceed Page Limit for Attachments to SnapPower's Motions for Summary Determination (Doc. ID 662868) ("Page Limit Motion"); and (iii) SnapPower's corrected Motion for Summary Determination Regarding Importation (Doc. ID 662933) ("Importation MSD").

SnapPower's Economic Prong MSD and Page Limit Motion were uploaded on November 28, 2018 within minutes after the EDIS filing cutoff time, which resulted in a November 29, 2018 official received date of the filed documents. SnapPower's Importation MSD was filed before the deadline on November 28, 2018, but was refiled on November 29,

2018, in order to correct the confidentiality designation on an attachment. According to SnapPower, to permit the Economic Prong MSD, Page Limit Motion, and Importation MSD to be filed after the filing deadline will not affect the Procedural Schedule. Moreover, none of the Parties is likely to be prejudiced by such an inconsequential delay.

For good cause shown, and because it is unopposed, SnapPower's Motion, Motion Docket No. 1124-028, is hereby *granted*.
