**ORDER NO. 36: GRANTING JOINT MOTION TO EXTEND MEDIATION
DEADLINES**

(November 30, 2023)

On November 29, 2023, Complainant Samsung Display Co., Ltd. (“Complainant”) and Respondents Injured Gadgets, LLC, Phone LCD Parts LLC d/b/a Parts4LCD, Wholesale Gadget Parts, Inc., and Mianyang BOE Optoelectronics Co., Ltd (collectively, “Respondents”) (together, the “Private Parties”) moved (Mot. 1351-018) to extend the mediation deadline from December 1, 2023, to December 15, 2023, and extend the deadline for the joint report on mediation from December 8, 2023, to December 22, 2023. The Private Parties explain that without the extension, “there would be an insufficient availability of individuals with settlement authority to attend the mediation.” Mot. at 1.

The Commission Investigative Staff does not oppose the Private Parties’ request. *Id.*

Good cause having been shown and there being no opposition, Motion No. 1351-018 is hereby GRANTED.
