SUPPLEMENTARY INFORMATION: On February 3, 2023, the Commission instituted this investigation based on a complaint filed by Samsung Display Co., Ltd. ("Complainant") of the Republic of Korea. 88 FR 7463-64 (Feb. 3, 2023). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 based upon the importation into the United States, the sale for importation, or sale within the United States after importation of certain active matrix organic light-emitting diode display panels and modules for mobile devices, and components thereof by reason of the infringement of certain claims of U.S. Patent Nos. 9,818,803; 10,854,683; 7,414,599; and 9,330,593. *Id.* The Commission's notice of investigation, as amended, named numerous respondents, including Mianyang BOE Optoelectronics Co., Ltd of Sichuan, China; Injured Gadgets, LLC of Norcross, Georgia; Parts4LCD of Dallas, Texas; Phone LCD Parts LLC of Dallas, Texas; and Wholesale Gadget

Parts, Inc. of Bixby, Oklahoma (collectively, “Respondents”). The Office of Unfair Import Investigations was also named as a party in this investigation. *Id.*

On November 15, 2023, Respondents moved for summary determination that Complainant lacked standing to bring and maintain the investigation. On November 27, 2023, Complainant opposed the motion and OUII filed a response in support of the motion. See ID at 1.

On January 9, 2024, the ALJ issued the ID finding that Complainant lacked constitutional standing. On January 19, 2024, Complainant petitioned for review of the ID. On January 26, 2024, OUII and Respondents filed responses to the petition for review. On January 31, 2024, Complainant moved for leave to file a limited reply in support of its petition for review. On February 12, 2024, OUII and the Respondents each filed responses in opposition to Complainant’s motion for leave to file a reply.

The Commission has determined to extend the time for determining whether to review the ID (Order No. 44) until March 11, 2024.

The Commission vote for this determination took place on February 23, 2024.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.
