INV. NO. 337-TA-1368

**ORDER NO. 11: REGARDING MOTION TO MODIFY PROCEDURAL SCHEDULE**

(December 26, 2023)

Respondents NJOY, LLC, NJOY Holdings, Inc., Altria Group, Inc., Altria Group Distribution Company, and Altria Client Services LLC move to amend the Procedural Schedule (Order No. 7) to modify most of the pre-trial deadlines. Motion Docket No. 1368-003 (EDIS Doc. ID 810922). NJOY states that the Staff indicated that it would provide its position in response to the motion and that complainants JUUL Labs, Inc. and VMR Products LLC indicated that they would take a position after reviewing the motion. Mot. at 1. NJOY also moves for a shortened response time of December 28. *Id.* at 1-2. The Staff opposes the request for a shortened response time. (EDIS Doc. ID 810956).

The reason for the proposed extension is the scheduling of fact depositions. Mot. at 2-4.

The request for a shortened response time is DENIED. The parties are ordered to meet and confer and to the extent possible agree on a proposed amended procedural schedule. In lieu of responses to NJOY's motion, the parties shall file by January 4 a joint proposed procedural schedule or, if agreement cannot be reached, the parties' separate proposals.

**SO ORDERED.**
