INV. NO. 337-TA-1368

**ORDER NO. 14: GRANTING JOINT MOTION TO TAKE FACT DEPOSITIONS
OUT OF TIME**

(January 23, 2024)

Complainants JUUL Labs, Inc. and VMR Products LLC, and respondents NJOY, LLC, NJOY Holdings, Inc., Altria Group, Inc., Altria Group Distribution Company, and Altria Client Services LLC move for leave to conduct the depositions of Mr. Steven Christensen and Mr. Joseph O'Hara after the January 26, 2024, close of fact discovery. Motion Docket No. 1368-005 (EDIS Doc. ID 812387) at 1. The Commission Investigative Staff does not oppose. *See id.*

The private parties state that: (1) Mr. Christensen was previously noticed for deposition, while Mr. O'Hara was previously subpoenaed; (2) Mr. Christensen and Mr. O'Hara are unavailable for depositions until after the close of fact discovery; (3) JLI stipulates that it will not, based upon the fact that these depositions will be taken after the close of fact discovery, seek to preclude NJOY from relying upon the deposition testimony of these witnesses or any exhibits testified to during such depositions; and (4) this will not extend fact discovery beyond the taking of these depositions and will not alter or impact any other deadline in Order No. 13. *Id.* at 1–2. The private parties state that they expect to conduct the deposition of Mr. Christensen in January 2024, and the deposition of Mr. O'Hara in February or March 2024. *See id.*

There being no opposition and for good cause shown, Motion No. 1368-005 is GRANTED.

The parties are directed to meet and confer and establish a date certain for the deposition of Mr.

O'Hara.

SO ORDERED.
