Inv. No. 337-TA-1368

**ORDER NO. 15: GRANTING JOINT MOTION TO EXTEND THE DEADLINE FOR
MOTIONS TO COMPEL DISCOVERY REGARDING CERTAIN
TOPICS**

(January 26, 2024)

Complainants JUUL Labs, Inc. and VMR Products LLC, and respondents NJOY, LLC, NJOY Holdings, Inc., Altria Group, Inc., Altria Group Distribution Company, and Altria Client Services LLC move for a two-week extension of the deadline for motions to compel regarding complainants' Rule 30(b)(6) Topic Nos. 39, 43, 45, 46, and 74 as limited by the information sought in complainants' Interrogatory Nos. 17-18 and 20-21. The proposed new deadline is February 2, 2024. Motion Docket No. 1368-006 (EDIS Doc. ID 812655) at 1. The Commission Investigative Staff does not oppose. *Id.*

The motion states: (1) complainants raised certain issues after the depositions of two of respondents' Rule 30(b)(6) witnesses; (2) in an attempt to resolve the dispute, the parties agreed that respondents would answer interrogatories directed at certain of the Rule 30(b)(6) topics; and (3) complainants served additional interrogatories on January 16, 2024. *Id.* at 2. Because respondents' responses to the January 16 interrogatories are not due until January 26, an extension of time through February 2 for a motion to compel will allow complainants the opportunity to evaluate respondents' interrogatory responses and determine the appropriate path forward. *Id.*

There being no opposition and for good cause shown, Motion No. 1368-006 is GRANTED.

The parties are reminded to follow the Ground Rules with respect to bringing any discovery disputes to my attention.

SO ORDERED.
