Washington, D.C.

In the Matter of

CERTAIN VAPORIZER DEVICES,
CARTRIDGES USED THEREWITH, AND
COMPONENTS THEREOF

Inv. No. 337-TA-1372

**ORDER NO. 34: GRANTING IN PART RESPONDENT'S MOTION AS TO A
SHORTENED RESPONSE TIME**

(April 2, 2024)

Respondent JUUL Labs, Inc. moves for leave to take discovery after the close of fact discovery, and to exceed the twenty-deposition limit imposed by Commission Rule 210.28. The motion requests a shortened response time of three days, to Wednesday, April 3, 2024. Motion Docket No. 1372-029 (EDIS Doc. ID 817209).

During the last case management conference, the parties discussed a shortened response time for this motion, given that fact discovery has already closed and other deadlines in the procedural schedule. *See* Tr. (3/27/24 Case Management Conference) at 24:7–25:4 (EDIS Doc. ID 817012). Given the issues involved, the three-day response time requested by JLI is inadequate. The request for a shortened response time is, therefore, granted in part. Responses to the motion shall be due on Friday, April 5, 2024.

SO ORDERED.
