Inv. No. 337-TA-1372

**ORDER NO. 39: GRANTING JOINT MOTION TO TAKE EXPERT DEPOSITIONS
OUT OF TIME**

(April 15, 2024)

Complainant NJOY, LLC and Respondent JUUL Labs, Inc. jointly move for leave to conduct the depositions of NJOY's expert witness Dr. Thomas Vander Veen on April 17, 2024, and JLI's expert witness Mr. Vincent Thomas on April 19, 2024, after the close of expert discovery. Motion Docket No. 1372-032 (EDIS Doc. ID 818537). The Commission Investigative Staff does not oppose.

Pursuant to Order No. 22, expert discovery closes on April 16, 2024. The movants state that, due to scheduling conflicts of the parties' experts and prior commitments, and to avoid double-tracking expert depositions, deposition dates for Dr. Vander Veen and Mr. Thomas could not be scheduled during the expert discovery period. Mot. at 1.

There being no opposition and for good cause shown, Motion No. 1372-032 is GRANTED.

SO ORDERED.
