In the Matter of

CERTAIN ELECTRONIC DEVICES,  
INCLUDING SMARTPHONES,  
COMPUTERS, TABLET COMPUTERS,  
AND COMPONENTS THEREOF

Inv. No. 337-TA-1373

**ORDER NO. 4: GRANTING RESPONDENTS' UNOPPOSED MOTION FOR  
AN EXTENSION OF TIME TO RESPOND TO THE  
COMPLAINT AND NOTICE OF INVESTIGATION**

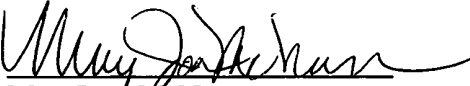

(October 26, 2023)

On October 25, 2023, Respondents Lenovo Group Limited, Lenovo (United States) Inc., and Motorola Mobility LLC (collectively, "Respondents") filed an unopposed motion ("Motion") for an extension of time to respond to the complaint and notice of investigation. (Motion Docket No. 1373-001 (Oct. 25, 2023)). The Motion contains a G.R. 2.2 certification representing that neither Complainants nor Staff oppose the Motion. (Mot. at 1.).

Respondents assert that good cause exists to extend their deadline to respond to the Complaint and Notice of Investigation by six days because it will enable Respondents to "develop further facts and information pertinent to responding to the allegations raised in the Complaint and Notice of Investigation." (Mot. at 2.). Respondent also asserts that there is no prejudice and that the extension will not affect or delay any other date in this proceeding. (*Id.*).

For good cause shown, and because there is no opposition, the Motion is GRANTED. Respondents' response to the Complaint and Notice of Investigation is due November 7, 2023.

**SO ORDERED.**
