Investigation No. 337-TA-1373

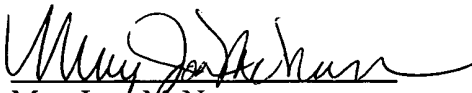

**ORDER NO. 6: GRANTING NON-PARTY ADVANCED MICRO DEVICES, INC.’S  
UNOPPOSED MOTION FOR  
AN EXTENSION OF TIME TO RESPOND TO SUBPOENAS  
[MOTION DOCKET NO. 1373-003]**

(November 2, 2023)

On October 31, 2023, non-party Advanced Micro Devices, Inc. (“AMD”) moved (“Motion”) for an extension of time move to limit or quash, or otherwise respond to, subpoenas duces tecum and ad testificandum issued at the request of Complainants (the “Subpoenas”). AMD seeks a 14-day extension to November 17, 2023, to allow AMD and its counsel “to further investigate the requested document production and deposition testimony” and to “confer with Complainant regarding the Subpoena’s scope.” (Motion at 1-2). The motion represents pursuant to Ground Rule 2.2 that the OUII Staff Attorney, Complainants, and Respondents do not oppose the Motion and agreed to waive the two-day notice requirement. (*Id.* at 1).

Because of the unopposed nature of this Motion, and for good cause having been shown, AMD’s Motion is hereby *granted*.

SO ORDERED.
