

**IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF MICHIGAN**

<p>RUBY HESTER and STEWART MURIE, individually and on behalf of all others similarly situated,</p> <p style="text-align: center;">Plaintiff,</p> <p style="text-align: center;">v.</p> <p>PLUS COMMUNICATIONS INC. D/B/A CHARISMA MEDIA,</p> <p style="text-align: center;">Defendant.</p>	<p>Case No. <u>1:21-cv-671</u></p> <p>CLASS ACTION COMPLAINT JURY TRIAL DEMANDED</p>
--	---

Plaintiff Ruby Hester and Stewart Murie (“Plaintiffs”), individually and on behalf of themselves and all others similarly situated, by and through their attorneys, makes the following allegations pursuant to the investigation of their counsel and based upon information and belief, except as to allegations specifically pertaining to themselves and their counsel, which are based on personal knowledge.

INTRODUCTION

1. Defendant Plus Communications Inc. d/b/a Charisma Media (“Charisma”) rented, exchanged, and/or otherwise disclosed detailed information about Plaintiffs’ *Charisma* magazine subscriptions to data aggregators, data appenders, data cooperatives, and list brokers, among others, which in turn disclosed their information to aggressive advertisers, political organizations, and non-profit

companies. As a result, Plaintiffs have received a barrage of unwanted junk mail. By renting, exchanging, and/or otherwise disclosing Plaintiffs' Private Reading Information (defined below) during the relevant pre-July 30, 2016 time period¹, Charisma violated Michigan's Preservation of Personal Privacy Act, H.B. 5331, 84th Leg. Reg. Sess., P.A. No. 378, §§ 1-4 (Mich. 1988), *id.* § 5, added by H.B. 4694, 85th Leg. Reg. Sess., P.A. No. 206, § 1 (Mich. 1989) (the "PPPA").²

2. Documented evidence confirms these facts. For example, a list broker, NextMark, Inc. ("NextMark"), offers to provide renters access to the mailing list titled "Charisma Media Masterfile Mailing List", which contains the Private Reading Information of 786,552 of Charisma's active U.S. subscribers at a base price of "\$100.00/M [per thousand]," (i.e., 10 cents apiece), as shown in the screenshot below:

¹ The statutory period for this action is six years. *See* M.C.L. § 600.5813.

² In May 2016, the Michigan legislature amended the PPPA. *See* S.B. 490, 98th Leg., Reg. Sess., P.A. No. 92 (Mich. 2016) (codified at M.C.L. § 445.1711, *et seq.*). The May 2016 amendment to the PPPA, which became effective on July 31, 2016, does not apply retroactively to claims that accrued prior to its July 31, 2016 effective date. *See Boelter v. Hearst Commc 'ns, Inc.*, 192 F. Supp. 3d 427, 439-41 (S.D.N.Y. 2016) (holding that "the amendment to the [PP]PA does not apply to Plaintiffs' claims, and the Court will assess the sufficiency of those claims under the law as it was when Plaintiffs' claims accrued.") (citing *Landgraf v. USI Film Prods.*, 511 U.S. 224, 286 (1994)). Because the claims alleged herein accrued, and thus vested, prior to the July 31, 2016 effective date of the amended version of the PPPA, the pre-amendment version of the PPPA applies in this case. *See Horton v. GameStop, Corp.*, -- F. Supp. 3d --, 2018 WL 8335635, at *2-3 (W.D. Mich. Sept. 28, 2018).

Charisma Media Masterfile Mailing List

The Charisma Media Masterfile is derived from magazine subscription offers including direct mail, inserts, direct-to-publisher, telemarketing, internet and agencies. This enhanced masterfile consists of both former and active subscribers. This file contains subscribers of Charisma, SpiritLed Woman, New Man, Ministry Today, and Vida Cristiana.

See **Exhibit A** hereto.

3. By renting, exchanging, or otherwise disclosing the Private Reading Information of its Michigan-based subscribers during the relevant pre-July 30, 2016 time period, Charisma violated the PPPA. Subsection 2 of the PPPA provides:

[A] person, or an employee or agent of the person, engaged in the business of selling at retail, renting, or lending books or other written materials ... shall not disclose to any person, other than the customer, a record

or information concerning the purchase ... of those materials by a customer that indicates the identity of the customer.

PPPA § 2.

4. Accordingly, Plaintiffs bring this Class Action Complaint against Charisma for its intentional and unlawful disclosure of its customers' Private Reading Information in violation of the PPPA.

NATURE OF THE CASE

5. To supplement its revenues, Charisma rents, exchanges, or otherwise discloses its customers' information—including their full names, titles of publications subscribed to, and home addresses (collectively "Private Reading Information"), as well as myriad other categories of individualized data and demographic information such as age, gender, income, marital status, and childrens' age—to data aggregators, data appenders, data cooperatives, and other third parties without the written consent of its customers.

6. By renting, exchanging, or otherwise disclosing – rather than selling – its customers' Private Reading Information, Charisma is able to disclose the information time and time again to countless third parties.

7. Charisma's disclosure of Private Reading Information and other individualized information is not only unlawful, but also dangerous because it allows for the targeting of particularly vulnerable members of society. For example, anyone

could buy a customer list provided by Charisma that contains the names and addresses of all unmarried women over the age of 60 with an annual income of greater than \$80,000 who reside in Detroit, Michigan and subscribe to *Charisma* magazine. Such a list is available for sale on the open market for approximately \$132.00 per thousand subscribers listed.

8. While Charisma profits handsomely from the unauthorized rental, exchange, and/or disclosure of its customers' Private Reading Information and other individualized information, it does so at the expense of its customers' statutory privacy rights (afforded by the PPPA) because Charisma does not obtain its customers' written consent prior to disclosing their Private Reading Information.

PARTIES

9. Plaintiff Ruby Hester is a natural person and citizen of the State of Michigan and resides in Lansing, Michigan. Plaintiff was a subscriber to *Charisma* magazine, including during the relevant pre-July 30, 2016 time period. *Charisma* magazine is published by Charisma. While residing in, a citizen of, and present in Michigan, Plaintiff purchased her subscription to *Charisma* magazine directly from Charisma. Prior to and at the time Plaintiff subscribed to *Charisma*, Charisma did not notify Plaintiff that it discloses the Private Reading Information of its customers, and Plaintiff has never authorized Charisma to do so. Furthermore, Plaintiff was never provided any written notice that Charisma rents, exchanges, or otherwise

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
