Re: Charter Communications
(Successor to Time Warner Cable of NYC)
Case 02-RD-220036
KM&M File No. 08318.8340

Dear Ms. Rothschild:

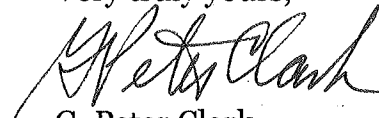

This law firm and I represent the Employer, Charter Communications, Inc., in the above-referenced representation case.

We write to request a one-week extension of time for submission of the Request for Review on behalf of the Employer from the current due date of May 28, 2021 to June 4, 2021.

The Regional Director's Second Supplemental Decision on Challenged Ballots was issued on May 14, 2021. It addressed 1601 determinative, challenged ballots and involved multiple, complex issues of voter eligibility of permanently replaced economic strikers, permanent replacements and cross-over, former strikers.

Due to the complexity of the issues presented by this case and the need to provide a thorough presentation on all issues to the Board, we request that the due date for all parties to submit a Request for Review be extended to June 4, 2021.

Very truly yours,

G. Peter Clark
