530 West 45th Street
New York, NY 10036 [Visit Website](#)

Located next to **mega-building Gotham West**, the new middle-income affordable rentals at 530 West 45th Street are a better deal than their neighbors, if a little *less lavish*. There are two places available: one two-bedroom priced at \$3,020 and a three-bedroom priced at \$3,483. [Applications](#) are rolling. [Photo via [NY Post](#)]
