Dear Sir or Madam:

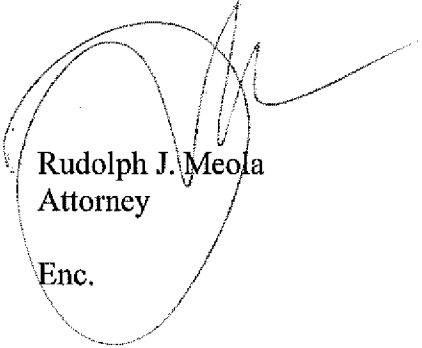

Enclosed please find a copy of the order to show cause which will be electronically filed and presented to the Acting Part I Judge in the Albany County Supreme Court on **June 16, 2022 at 4:00 PM** or soon thereafter as may be practicable and will be heard according to and in the discretion of the court. The garage is entitled to be heard on the request for temporary relief.

This order to show cause seeks temporary relief in the nature of posting a **\$20,000.00** bond in the place of the vehicle as security for your garage claim and a restraint on any transfer of the vehicle.

If you wish to be heard on this application to substitute the bond you must make arrangements accordingly.

Finally, I do not mean to imply that you have to appear - - you can choose to or not. If you do not appear, I will just present the order to show cause as you see it and the Court will set a date for submission of legal arguments.

Very truly yours,

Rudolph J. Meola
Attorney
