Dear Justice Baker:

I received the Order scheduling the conference for Monday, September 18. I will be picking a jury on the 18th in Onondaga County Supreme Court with Judge Fogel in an action entitled *Newvine v. Barzee*. That trial is expected to last until Wednesday the 20th.

Would it be possible to reschedule? I am a solo practitioner and do not have coverage.

My office would be happy to work with your staff to select an available date and time.

Respectfully yours,

Keith D. Miller
