IT IS HEREBY STIPULATED by and between counsel for the respective parties that this Deposition is to be held pursuant to the provisions of the Civil Practice Law and Rules; that the presence of a Referee is waived; that the filing of the transcript is waived; that the witness may be sworn by PAMELA PALOMEQUE, NYRCR, RPR, CRR, and Notary Public in and for the State of New York; and that all objections, except those as to form are reserved until the time of the trial.

* * *

MR. COMINSKY: We're going on. It's November 1st, 9:20 a.m. My name is Sidney Cominsky. We're recording this at SD speed, I guess is the right term, digital format, and you can swear the witness in. I should say my address is State Tower Building, Syracuse, New York. I'm an attorney for the Plaintiff doing the recording.

1 J. Timothy Riley, M.D. 5

2 J. T I M O T H Y R I L E Y, M.D., having been
3 called as a witness, being duly sworn by the notary
4 public present, testified as follows:

5 EXAMINATION BY MR. COMINSKY:

6 Q. Before we begin, Doctor, I want you to know
7 that during this deposition there will be times where I
8 will paraphrase what you have said. I am not a
9 stenographer nor do I have a perfect memory, so if when
10 I paraphrase what you may have said, if you think I'm
11 wrong, correct me. That's first of all.

12 Second of all, if you don't understand the
13 question, it's because I didn't ask it correctly.
14 Please tell me; I'll try to rephrase it. Otherwise I
15 will assume you understood the question.

16 Thirdly, we're asking that you give us full
17 and complete answers as you possibly can and if for some
18 reason I interrupt you because you hesitated or
19 whatever, please tell me you're not finished.

20 Feel free to refer to your records. Feel
21 free to take a break after a question has been answered
22 if you need it, okay? Thank you.

23 Doctor, I take it you recall this surgery of
24 Mr. Hatch?

25 A. Yes.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
