RE: AB 511 Doe v Lyndonville CSD, et al
Index: 20-46602

Counsel:

Please be advised that the trial of this matter scheduled for October 5, 2022 has to be changed due to the courtrooms in Orleans County being unavailable at that time. I have been given the following dates: October 25-31, November 1-7 and November 14-18. Justice Chimes also wanted to know how long you expect the trial to last and to advise that the dates for trial provided are dependent on finding a trial judge to cover this trial for her.

Your prompt courtesy and attention to this matter is greatly appreciated.

Very truly yours,

Chambers of the Hon. Deborah A. Chimes, JSC
