Honorable Justin Corcoran  
Rensselaer County Supreme Court  
105 Third Street  
Troy, New York 12180

**Re: *T.T. v. Hoosic Valley Central School District***  
**Index No. EF2021-269598**

Dear Judge Corcoran:

This office represents the plaintiff, T.T., in the above-referenced action. We are writing to request that the deadline to conduct the deposition of our client be extended by an additional fifty (50) days, until April 30, 2024, or by any length of time deemed fit by this Court. Please be advised that we are making the within request with the consent of defense counsel, who is copied on this correspondence.

The reason for this request is that the undersigned attorney handling this matter, Ameer Benno, is currently on trial before Judge Muraca in Nassau County Supreme Court in the matter of *J. G. v. Herricks Union Free School District* (Index No. 900049/2020). That trial, which began last week, is expected to continue through at least the end of next week (March 15, 2024).

If the Court grants the within request, the parties respectfully request that the Note of Issue deadline likewise be extended by an additional sixty (60) days, until July 1, 2024 in order to allow for the completion of depositions and any post-deposition discovery.

Thank you for your time and attention to this matter.

Respectfully submitted,

Ameer Benno, Esq.
