**Re: Green v. Board of Education of the Watkins Glen Central School District, et al
Schuyler County Index No. E2021-0003**

Dear Judge Baker:

Our firm represents the Plaintiff, Merissa Green. As you know, Your Honor issued a Scheduling Order dated June 8, 2021, setting a deadline for all discovery to be completed by September 15, 2021. As of today, we have not received a response to our discovery demands from the defendants which were served on July 21, 2021.

Therefore, I respectfully request the following extensions: deadline for discovery: November 15, 2021, and deadline for Note of Issue: November 29, 2021. Defense counsel advised he has no objections.

Respectfully yours,

Michael A. Donlon, Esq.
