Oral argument held regarding Plaintiff’s Notice of Defendants’ Noncompliance (Dkt. Entry #83). Oral argument held regarding sanctions. The Court would invite Plaintiff to submit any actual damages it has suffered as a result of the Defendants’ noncompliance, to include any expenses, costs or fees, which the Court will take under advisement as to what will be ordered as a sanction. Defendants to be fined \$1,000.00 per day until they come into compliance with the Court’s January 15, 2021 Order. Defendants directed to be in full compliance by June 11, 2021. If Defendants do not come into full compliance, Plaintiff is invited to file an additional notice of noncompliance, at which time the Court would consider additional sanctions. Written order to follow. (JFH)
