ORDER

Terminating Proceedings Due to Settlement
35 U.S.C. § 317(a) and 37 C.F.R. § 42.74

¹ This order addresses joint motions to terminate in all three cases. We exercise our discretion to issue a single order to be entered in each case.

1. *Introduction*

The Board has instituted review in IPR2017-00541 and -00542, but the trials are at an early stage; Patent Owner has not yet filed its Response to the Petition in these proceedings. The Board has yet to decide whether to institute review in CBM2017-00030.

On June 30, 2017, pursuant to Board authorization, Patent Owner and Petitioner filed joint motions to terminate the proceedings. Paper 9.² Along with the motion, the parties filed a copy of a document they describe as their written settlement agreement, as well as a separate joint request to treat the settlement agreement as business confidential information. Paper 10; Exhibit 1028. *See* 37 C.F.R. § 42.74(c) (a party to a settlement may request that the settlement agreement be treated as business confidential and be kept separate from the patent file).

2. *Discussion*

The Parties state in the Joint Motion to Terminate that “the parties have resolved their dispute” and “request termination of this proceeding.” Paper 9, 2. Under these circumstances, we determine that it is appropriate to terminate each of these proceedings. *See* 35 U.S.C. § 317(a) and 37 C.F.R. § 42.74.

After reviewing the parties’ settlement agreement, we find that the settlement agreement contains business confidential information regarding the terms of the settlement and good cause exists to treat the settlement

² Citations in this Order are to papers and exhibits in CBM2017-00030. The other two proceedings include similar papers and exhibits.
