Before JAMESON LEE, *Administrative Patent Judge*.

ORDER  
Conduct of Proceedings  
*37 C.F.R. § 42.5*

IPR2012-00001  
Patent 6,778,074 B1

On November 13, 2013, the Board issued a final written decision in this proceeding. Paper 59. Upon review of the record, it appears that Exhibit 1024 should be designated public in accordance with Paper 52, and that Exhibits 3000 and 4000, filed on April 11, 2013, should now be expunged. If either party disagrees with that position, it shall initiate a telephone conference with the Board within two weeks of the date of this communication. If no conference call is initiated by either party by that time, Exhibit 1024 will be designated as public and Exhibits 3000 and 4000, filed on April 11, 2013, will be expunged.

It is ORDERED that the parties shall initiate a telephone conference call with the Board, if appropriate, within two weeks of the date of this Order, in accordance with the above instruction.
