

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

INTERNATIONAL BUSINESS MACHINES CORPORATION
Petitioner,

v.

INTELLECTUAL VENTURES II LLC
Patent Owner.

Case IPR2014-00180
Patent 7,634,666

Before DAVID C. McKONE, and MIRIAM L. QUINN,
Administrative Patent Judges.

QUINN, *Administrative Patent Judge.*

ORDER
Conduct of the Proceedings
37 C.F.R. § 42.5

On December 9, 2014, Patent Owner filed Patent Owner's Motion for Observation Regarding Cross-Examination of Dr. Cetin Kaya Koc. Paper 32 ("Motion"). Patent Owner's Motion, however, exceeds the 15 page limit, and the panel has not authorized, nor has Patent Owner requested an extension of the page limit. Accordingly, Patent Owner's Motion, filed as Paper 32, is hereby expunged.

The parties have alerted the panel to an agreement to correct Patent Owner's Motion and a change of the date for Petitioner to respond to the Motion. Consistent with that agreement, Patent Owner shall file a corrected Motion by December 11, 2014. It shall not exceed 15 pages. The deadline for Petitioner to respond to Patent Owner's Motion is set for December 29, 2014. Due Date 5 (December 23, 2014), as it pertains to oppositions to motions to exclude is not changed by this order.

Order

It is

ORDERED that Paper 32, Patent Owner's Motion for Observation is expunged;

FURTHER ORDERED that Patent Owner shall file a corrected Motion no later than December 11, 2014;

FURTHER ORDERED that Petitioner shall file a response to Patent Owner's Motion by no later than December 29, 2014; and

FURTHER ORDERED that no other due dates are modified by this order.
