1 P R O C E E D I N G S

2 JUDGE ELLURU: Good afternoon. This is
3 Judge Elluru. I'm joined by Judges Braden,
4 DeFranco and Plenzler. This is the initial
5 conference call for IPR2014-00356, 366, 406, 420
6 and 421.

7 I'd like to start with the roll call.
8 Could counsel for petitioner please identify
9 themselves?

10 MR. STEINBERG: Yes. This is Bob
11 Steinberg representing Petitioner Qualtrics.
12 And along with me is Neil Rubin, also of Latham
13 & Watkins representing petitioner.

14 JUDGE ELLURU: Thank you. And patent
15 owner?

16 MR. MODI: Good afternoon, Your Honor.
17 This is Naveen Modi. I'm with Paul Hastings.
18 And I have with me Evan McLean.

19 JUDGE ELLURU: Thank you. Is there a
20 court reporter on the line?

21 THE REPORTER: There is. This is Rebecca
22 Stonerock.

1 JUDGE ELLURU: And who requested the
2 court reporter?

3 MR. MODI: Your Honor, this is Naveen
4 Modi again. We did, the patent owner.

5 JUDGE ELLURU: Thank you. Mr. Modi,
6 could you please submit a copy of the transcript
7 as an exhibit in this case?

8 MR. MODI: We'll do that, Your Honor.

9 JUDGE ELLURU: We received notice from
10 each party that it has not currently proposed to
11 file any motions. Is that correct, starting
12 with the petitioner?

13 MR. STEINBERG: That's correct, Your
14 Honor. We don't plan to file any motions at
15 this time.

16 JUDGE ELLURU: And patent owner?

17 MR. MODI: That's true for us, also, Your
18 Honor.

19 JUDGE ELLURU: I would still like to go
20 through a couple of issues. There are any
21 proposed changes to the scheduling order at this
22 time?

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
