DECISION

Granting Motion to Withdraw Exhibit 1012, Exhibit 1013, and Paper 35,
and Replace Each with Corrected Versions
37 C.F.R. § 42.71(a)

With prior authorization, Petitioner, Marvell Semiconductor, Inc., filed a motion to withdraw previously-filed versions of a rough deposition transcript of Dr. Ghobad Heidari (Exhibit 1012), the Reply Declaration of Prof. Zhi Ding (Exhibit 1013), and Petitioner's Reply to Patent Owner's Response (Paper 35). Paper 49. Petitioner further seeks to replace the rough transcript of Dr. Heidari's deposition with a certified copy which was not available at the time of filing of Petitioner's Reply. Petitioner also seeks to file corrected versions of Prof. Ding's Reply Declaration and Petitioner's Reply for the sole purpose of replacing previous citations to the rough transcript of Dr. Heidari's deposition with citations to the certified transcript of that deposition. Patent Owner did not file an opposition to the motion.

In the interest of having an accurate and complete record, good cause having been shown, Petitioner's motion is granted. Petitioner shall file the certified transcript of Dr. Heidari's deposition as a new exhibit. Petitioner shall also file corrected versions of the Reply Declaration of Prof. Zhi Ding and Petitioner's Reply to Patent Owner's Response for the sole purpose of referencing the new exhibit number and the portions of Dr. Heidari's certified deposition transcript which reference the same testimony as referenced in the original citations to the rough deposition transcript.

ORDER

Accordingly, it is:

ORDERED that Petitioner's Motion to Withdraw the Previously-Filed Rough Draft Deposition Transcript of Ghobad Heidari, Ph.D. (Ex. 1012), Petitioner Reply (Paper 35), and Reply Declaration of Dr. Zhi Ding

(Ex. 1013) and Substitute Corrected Versions of All Three Papers is *granted*;

FURTHER ORDERED that Ex. 1012, Ex. 1013, and Paper 35 shall remain in the record as originally filed; and,

FURTHER ORDERED that Petitioner shall file: (1) the certified copy of the Deposition Transcript of Ghobad Heidari, Ph.D as a new exhibit; (2) the Corrected Reply Declaration of Dr. Zhi Ding as a new exhibit, for the sole purpose of correcting citations to the certified copy of the Deposition Transcript of Ghobad Heidari, Ph.D, making reference to the new exhibit number and citations for that corrected transcript; and (3) the Corrected Petitioner Reply to Patent Owner's Response as a new paper, for the sole purpose of correcting citations to the certified copy of the Deposition Transcript of Ghobad Heidari, Ph.D, making reference to the new exhibit number and citations for that corrected transcript.
