<b>PARROT EXHIBIT 1014</b> <b>Parrot, Inc. v. Drone</b> <b>Technologies, Inc.</b> <b>IPR2014-00730</b>
---

I, Raffaello D'Andrea, do hereby declare and state that all statements made herein of my own knowledge are true and correct and all statements made on information and belief are believed to be true and correct; and further that the statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under the laws of the United States of America.

Dated: February 9, 2015

1. I have been retained by counsel for Petitioner as an expert witness in the above-captioned proceeding and in IPR2014-00732. I previously prepared declarations that have been submitted in support of Parrot's IPR petitions in both proceedings.

2. I recently learned while preparing for my deposition in this matter that in my declaration submitted in this proceeding my CV, which is clearly referred to within my declaration as "Appendix B," was missing. I understand this was the result of errors in the process of assembling the declaration into an exhibit prior to Petitioner's counsel's filing of the IPR petition. Although this inadvertent clerical error resulted in the omission of my CV from my declaration, I intended for my CV to be included with my declaration when it was originally assembled in April/May 2014. I understand this matter can be corrected by submitting a corrected version of the exhibit that included my declaration, Exhibit 1010, which Petitioner's counsel has now prepared.

3. I have reviewed the corrected version of Exhibit 1010 in the instant IPR (IPR2014-00730) and I confirm that in its corrected form it now includes the copy of my CV that I originally intended to be attached to my declaration in April/May 2014.
