(Chien Luen Florida), and Chien Luen Industries Co., Ltd., Inc. (Chien Luen China), Coleman Cable, LLC, Nature's Mark, Rite Aid Corp., Smart Solar, Inc., and Test Rite Products Corp. ## II. BACKGROUND

On August 1 and 7, 2014, in response to the district court's order to sever all claims against all defendants, the purported Patent Owner filed numerous first amended complaints or second amended complaints against a multitude of defendants claiming infringement of U.S. Patent No. 8,362,700 (the "'700 patent") and the other related patents identified in these proceedings. The '700 patent is being asserted in these proceedings with two other patents within the same patent family as the '700 patent—namely, U.S. Patent Nos. 7,429,827 (IPR2014-00938) and 7,196,477 (IPR2014-00936). Because the district court required the Patentee to sever and re-file the complaints, there are now additional pending related matters we identify in the Updated Mandatory Notices as Related Matters in section III(B).
