I. DISCUSSION

In each of the instant proceedings, the parties stipulated to change DUE DATE 1, the deadline for Patent Owner's response and any motion to amend, from March 23, 2015 to June 24, 2015. *See* Paper 29.¹ Patent Owner alleges that it began uploading its responses in these three cases around 9 pm Central Time on June 24, 2015, but had technical difficulties that it was unable to resolve, even upon contacting the USPTO technical help desk. *See* Paper 32. Prior to midnight, Patent Owner began emailing the Board its response, along with a motion to submit via email. Patent Owner was able to upload successfully its responses into PRPS early in the morning on June 25, 2015.

In view of the forgoing, we retroactively extend the due date of Patent Owner's response to June 25, 2015, such that the responses filed early in the morning on June 25, 2015 are deemed timely. Petitioner does not object.

II. ORDER

In view of the foregoing, it is hereby:

ORDERED that Patent Owner's Responses filed June 25, 2015 are deemed timely.
