¹ Case IPR2014-01493 has been joined with this proceeding.

Board. Both parties have requested oral hearing pursuant to 37 C.F.R. § 42.70. The parties' request for oral hearing is *granted*.

Petitioner will have 45 minutes to present arguments. Patent Owner will have 45 minutes to respond. Petitioner bears the ultimate burden of proof that Patent Owner's claims at issue in this review are unpatentable. Therefore, Petitioner will open the hearing by presenting its case regarding the challenged claims for which the Board instituted trial. After Petitioner's presentation, Patent Owner will respond to Petitioner's argument. Petitioner may reserve rebuttal time to respond to arguments presented by Patent Owner.

The hearing will commence at 2:00 PM on August 12, 2015, on the ninth floor of Madison Building East, 600 Dulany Street, Alexandria, Virginia. The Board will provide a court reporter for the hearing and the reporter's transcript will constitute the official record of the hearing. The hearing will be open to the public for in-person attendance that will be accommodated on a first-come, first-served basis.

The parties are reminded that under 37 C.F.R. § 42.53(f)(7), a proponent of deposition testimony must file such testimony as an exhibit. The Board will not consider any deposition testimony that has not been so filed.

Furthermore, under 37 C.F.R. § 42.70(b), demonstrative exhibits must be served at least five business days before the hearing date. The parties also shall provide a courtesy copy of any demonstrative exhibits to the Board at least five business days prior to the hearing by emailing them to Trials@uspto.gov. The parties shall *not* file any demonstrative exhibits in this proceeding without prior authorization from the Board.

The parties must file any objections to the demonstratives with the Board at least two business days before the hearing. Any objection to demonstrative exhibits that is not timely presented will be considered waived. The objections should identify with particularity which demonstratives are subject to objection, and include a short (one sentence or less) statement of the reason for each objection. No argument or further explanation is permitted. The Board will consider the objections and schedule a conference if deemed necessary. Otherwise, the Board will reserve ruling on the objections until after the oral argument. The parties are directed to *St. Jude Medical, Cardiology Division, Inc. v. The Board of Regents of the University of Michigan*, IPR2013-00041 (PTAB January 27, 2014) (Paper 65), for guidance regarding the appropriate content of demonstrative exhibits.

The parties should note that one member of the panel is expected to attend the oral hearing electronically from a remote location.

The Board expects lead counsel for each party to be present in person at the oral hearing. However, any counsel of record may present the party's argument. The parties may divide argument among counsel as they wish. Should there be any disagreement among the parties on the division of argument, the parties shall meet and confer in advance of the hearing to try to resolve the dispute and, if necessary, contact the Board for assistance.

If any party expects that its lead counsel will not be attending the oral argument, the parties should initiate a joint telephone conference with the Board no later than two business days prior to the oral hearing to discuss the matter.
