NOTICE OF FILING DATE ACCORDED TO PETITION
AND
TIME FOR FILING PATENT OWNER PRELIMINARY RESPONSE

The petition for inter parties review in the above proceeding has been
accorded the filing date of August 27, 2014.

A review of the petition identified the following defect(s):

Claim charts should only be used to provide an element-by-element showing as to how the prior art teaches the limitations of a claim (e.g., citations to a prior art reference, quotations from a prior art reference). Claim charts may not include arguments, claim construction, statements of the law, or detailed explanations as to why a claim limitation is taught or rendered obvious by the prior art. A mere citation to an expert declaration (e.g., “See Ex. 1015 ¶ 29”) in a claim chart is permissible, but anything more than a mere citation is improper.

Petitioner must correct the defect(s) within **FIVE BUSINESS DAYS** from this notice. Failure to correct the defect(s) may result in an order to show cause as to why the Board should institute the trial. No substantive changes (e.g., new grounds) may be made to the petition.

Patent Owner may file a preliminary response to the petition no later than three months from the date of this notice. The preliminary response is limited to setting forth the reasons why the requested review should not be instituted. Patent Owner may also file an election to waive the preliminary response to expedite the proceeding. For more information, please consult the Office Patent Trial Practice Guide, 77 Fed. Reg. 48756 (Aug. 14, 2012), which is available on the Board Web site at <http://www.uspto.gov/PTAB>.

Patent Owner is advised of the requirement to submit mandatory notice information under 37 C.F.R. § 42.8(a)(2) within 21 days of service of the petition.

The parties are encouraged to use the heading on the first page of this Notice for all future filings in the proceeding.
