ORDER

Requests for Oral Argument  
*37 C.F.R. § 42.70*

The date set for oral hearing in this proceeding is March 22, 2016, if hearing is requested by either party and granted by the Board. Paper 11. Both parties request oral hearing. Papers 25, 26. The requests are *granted*.

Each side will have sixty (60) minutes, total, to present its argument. Petitioner bears the ultimate burden of proof that Patent Owner's claims at issue in this review are unpatentable. Patent Owner has filed a Motion to Amend the claims and bears the burden of proof with respect to that motion. Accordingly, Petitioner will open the hearing by presenting its case regarding the challenged claims for which the Board instituted trial. After Petitioner's presentation, Patent Owner will respond to Petitioner's argument and also argue, if it wishes, in support of its Motion to Amend. Each side may reserve time to respond to arguments presented by the other side, with some limitations. Specifically, to the extent that Petitioner reserves rebuttal time, it may respond to Patent Owner's presentation on all matters. To the extent that Patent Owner reserves rebuttal time, however, it may respond only to Petitioner's arguments opposing the Motion to Amend.

The hearing will commence at 1:30 PM on March 22, 2016, on the ninth floor of the Madison Building East, 600 Dulany Street, Alexandria, Virginia. The Board will provide a court reporter for the hearing and the reporter's transcript will constitute the official record of the hearing. The hearing will be open to the public for in-person attendance that will be accommodated on a first-come, first-served basis. If the parties have any concern about disclosing confidential information, they are requested to contact the Board at least 10 days in advance of the hearing to discuss the matter.

The parties are reminded that, under 37 C.F.R. § 42.53(f)(7), a proponent of deposition testimony must file such testimony as an exhibit. The Board will not consider any deposition testimony that has not been so filed.

Furthermore, under 37 C.F.R. § 42.70(b), demonstrative exhibits must be served at least five business days before the hearing date. The parties also shall provide a courtesy copy of any demonstrative exhibits to the Board at least five business days prior to the hearing by emailing them to [Trials@uspto.gov](mailto:Trials@uspto.gov).

The parties must file any objections to the demonstrative exhibits with the Board at least two business days before the hearing. Any objection to demonstrative exhibits that is not timely presented will be considered waived. The objections should identify with particularity which demonstrative exhibits are subject to objection, and include a short (one sentence or less) statement of the reason for each objection. No argument or further explanation is permitted. The Board will consider the objections and schedule a conference if deemed necessary. Otherwise, the Board will reserve ruling on the objections until after the oral argument. The parties are directed to *St. Jude Medical, Cardiology Division, Inc. v. The Board of Regents of the University of Michigan*, IPR2013-00041 (PTAB January 27, 2015) (Paper 65), for guidance regarding the appropriate content of demonstrative exhibits.

The Board expects lead counsel for each party to be present in person at the oral hearing. However, any counsel of record may present the party's argument. If either party expects that its lead counsel will not be attending the oral argument, the parties should initiate a joint telephone conference

with the Board no later than two business days prior to the oral hearing to discuss the matter.

Any special requests for audio-visual equipment should be directed to [Trials@uspto.gov](mailto:Trials@uspto.gov). Requests for special equipment will not be honored unless presented in a separate communication not less than five days before the hearing directed to the above email address.
