Patent Nos. 7,905,815; 8,092,345; 8,579,767
Petitioner: Under Armour, Inc.
Patent Owner: adidas AG

Dear Board,

Patent Owner requests a telephone conference with the Board regarding Objections to Evidence and Responses to Objections to Evidence that have been served in the above-referenced matters.

On August 14, the Board instituted trial in each of the above-referenced matters. Thereafter, on August 28, 2015 Patent Owner timely served Petitioner with Objections to Evidence Served with each Petition. On September 9, 2015, Petitioner timely served Responses to Patent Owner's Objections. In Matter No. IPR2015-00700, Petitioner also timely served supplemental evidence on September 9. Patent Owner timely served objections to Petitioner's Supplemental Evidence on September 16, 2015.

Patent Owner subsequently realized that according to the May 19, 2015 Amendments to the Rules of Practice for Trials Before the Patent and Trial Appeal Board, 37 C.F.R. 42.64(b)(1) was amended to state that objections to evidence must be filed, not just served. Patent Owner requests permission from the Board to file its objections that have been served on Petitioner. Patent Owner will not oppose a request from Petitioner to file its Responses to Patent Owner's Objections.

Patent Owner has contacted Petitioner, who has stated that it does not oppose the request.

Petitioner and Patent Owner are available for a conference call on Monday, September 28, 2015 from 1:00 – 5:00 p.m. EST.

Respectfully submitted,

Mitch Stockwell
Counsel for Patent Owner
