Case IPR2015-01034  
Patent 8,863,979 B2

---

Before SALLY C. MEDLEY, KEN B. BARRETT, and  
AMANDA F. WIEKER, *Administrative Patent Judges*.

WIEKER, *Administrative Patent Judge*.

ORDER  
Conduct of the Proceeding  
*37 C.F.R. § 42.5*

An initial conference call in *inter partes* review IPR2015-01034 was held on September 28, 2015, between David D'Ascenzo, Steven Wilker, and Jon Stride, counsel for Petitioner; David Moreland and Jessica Keesee, counsel for Patent Owner; Stephanie Chu, in-house counsel for Patent Owner, Ignite USA, LLC; and Administrative Patent Judges Wieker, Medley, and Barrett. The purpose of the call was to discuss proposed changes to the Scheduling Order (Paper 16) and any motions that the parties intend to file.

Counsel for Petitioner and counsel for Patent Owner each represented that they do not anticipate any problems with any date set forth in the Scheduling Order, and that Lead Counsel would be available to attend an oral hearing on May 9, 2016, the date set forth in the Scheduling Order.

Counsel for Petitioner and counsel for Patent Owner each confirmed that they did not file a proposed motions list prior to the initial conference call and represented that, at this time, they do not anticipate filing any motions. Counsel for Patent Owner was reminded that if Patent Owner intends to file a motion to amend, they must arrange for a conference call with the Board prior to filing such a motion, at least two weeks prior to the filing due date. *See* 37 C.F.R. § 42.121; 77 Fed. Reg. 48,756, 48,766 (Aug. 14, 2012).

Counsel for Petitioner represented that the related litigation, *Ignite USA, LLC v. CamelBak Prods., LLC*, No. 14-cv-09210 (N.D. Ill.), has been stayed.

It is:

ORDERED that no motions are authorized at this time.
